

## The Internet Safety Pledge

1. I will not give out personal information such as my address, telephone number, parents' work address / telephone number, or the name and location of my school without my parents' permission.
2. I will tell my parents right away if I come across any information that makes me feel uncomfortable.
3. I will never agree to get together with someone that I "meet" online without first checking with my parents. If my parents agree to the meeting, I will be sure that it is in a public place and bring my mother or father along.
4. I will never send a person my picture or anything else without first checking with my parents.
5. I will not respond to any messages that are mean or that in any way make me feel uncomfortable. If I receive a message like that, I will tell my parents right away so that they can contact the online service.
6. I will talk with my parents so that we can set up rules for going online. We will decide upon the time of day that I can be online, the length of time I can be online and appropriate sites for me to visit. I will not break these rules or access other areas without their permission.
7. I will not download anything from anyone I don't know.
8. I will not post pictures of myself in "sexy poses" or in any clothing that my parents would not approve of to web sites like MySpace.com, Live Journal.com or my personal blog or web page.
9. I understand that there is no such thing as personal privacy online. If I post something online anyone can read it – anyone – even my parents.
